Sir:

RESUBMISSION OF DECLARATION

Applicant submitted a copy of a Declaration executed by all inventors with the application on the filing date of November 19, 2003. The Declaration was submitted as two sets of three pages each, six pages in total, as evidenced by the copy of the date-stamped postcard receipt submitted herewith. The postcard indicates that the U.S. Patent and Trademark Office received all six pages of the executed Declaration on the day of filing.

On December 22, 2009, the Applicant was notified that issuance of the patent was being delayed because the pages of the Declaration containing the signature of Chris D. Radcliffe were not present in the USPTO's file. Accordingly, for the

convenience of the U.S. Patent and Trademark Office and to expedite issuance, Applicant submits a duplicate of the executed Declaration previously submitted on November 19, 2003.

In view of the foregoing, Applicant believes that no fees are due. If, however, any fees are necessary for the submission of these documents, please charge our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
GARRETT & DUNNER, L.L.P.
